

Replacement Belt Part Numbers

Include the spaces in the part numbers when you order!

This group of belts is for Axner or Pacifica wheels. A picture of the belts we carry in this style has been provided so you can compare it to the belt on your wheel...

PW MB560 Belt for Axner M-600

PW MB520 Belt for Axner M-700

PW MB520 Belt for Pacifica 400

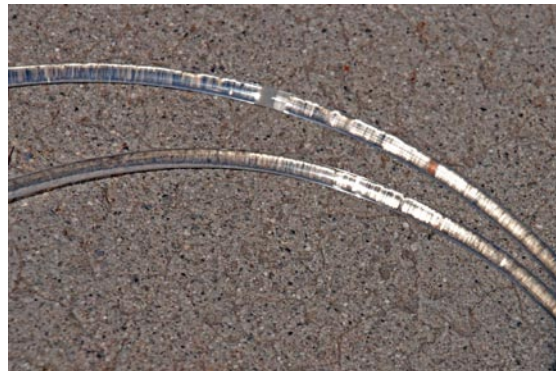

PW MB490 Belt for Pacifica 800

If your belts look like the ones pictured below, you have an older make of the Pacifica Wheel. The best way to know what belt you need is to measure the old belt to see if you need the 42" or the 50"

PW MBT PY Old Style round belt for Pacifica 400 and 800 is 42" long

PW MBT PY50 Original Style round belt for Pacifica 400 and 800 is 50" long
